

Epiphany Philosophers Conference 2017

On Monday 9th January 2017 the Epiphany Philosophers held a one-day meeting in Magdalene College, Cambridge. It was held close to the Feast of The Epiphany, and marked the 50th anniversary of the launch of Theoria to Theory in autumn 1966.

The following papers were presented. Some have been posted on this site already; others will be posted shortly.

Rupert Sheldrake

How the Epiphany Philosophers Radicalised Me

Isabel and Chris Clarke

Ways of Knowing. Taking Forward the Science, Religion and Parapsychology Interface

John Dobson

Two Studies in Metaphor: Complementarity and Eucharistic Theology

Yorick Wilks

Margaret Masterman's Cambridge Language Research Unit

Jonty Westphall

Theoria to Theory, from October 1966 to June 1981

Fraser Watts

What Was Distinctive About the EP's Approach to Science and Religion?

Rowan Williams

The Epiphany Philosophers: People and Words
