

## **Epiphany Philosophers meeting in Cambridge in July 2019**

There was a meeting of the Epiphany Philosophers at Fraser's home in Cambridge on 16 July 2019, with:

Yorick Wilks, John Dobson, Isabel and Leon Clarke, Fraser Watts, Sara Savage, Will Beharrell, Harris Wiseman, Matthieu Palayret, Mark Argent, Richard Gunton, Charles Elliott, and Leon Turner

Fraser and Yorick spoke about their grant application for a project that would amongst other things, try to build on Margaret's work on language.

Isabel presented a tribute to the important work of Chris Clarke, taking stock of his Intellectual contribution on science and religion.

John Dobson spoke about the difference between sign and symbol.
